March 2022 Update

Agincourt Village Community Association is comprised of residents living within the boundaries of Finch Avenue to the CPR tracks and Midland Avenue to Kennedy Road. Our association was established in 2015 with a focus to improve the quality of life within our community.

AVCA is a member supported group whose purpose is to **protect** our **historic** community and the **safety** of its residents by having a collective voice in issues which affect our neighbourhood.

AVCA has been working diligently on behalf of our community using online Zoom, Webex, emails and telephone conferences during this time. Hopefully we will be able to hold our Annual General meeting in Fall 2022 and we invite all residents to attend to guide our focus as we interact with MP Jean Yip, MPP Aris Babikian, Councillor Nick Mantas, 42 Police Division, City Planners, Metrolinx, neighbouring Community Associations, Sheppard East Village BIA, and developers.

AVCA encourages your input into the many changes impacting our lives as we welcome everyone and value positive improvements.

2022 AVCA Membership

AVCA encourages you to become a member. Thank you to the many residents who have paid their 2022 membership!

As previously decided AVCA requests \$20 per household per year. These monies pay for meeting room rentals, printing flyers, business cards, signage, website host, Zoom membership, and various expenses. AVCA usually begins collecting membership at the AGM which was not possible this year. **Cash or cheque payable to Agincourt Village Community Association can be dropped off to President Rhoda Potter, 38 Agincourt Drive, Scarborough M1S 1M3.**

Ask to be included on our AVCA email list by sending your email contact to avcatoronto@gmail.com. We encourage you to stay connected to be involved in community happenings and decisions. We welcome residents who live in close proximity to our boundaries. As a group of residents, we have more influence to improve the quality of life in our neighbourhoods.

The focus of this Update is to outline some of the discussions in which AVCA has advocated on your behalf:

- Metrolinx re: New Agincourt GO Station
- City of Toronto/Metrolinx re: Proposed Finch Smart Track Station
- Metrolinx re: Expansion of Stouffville Corridor
- School Safety Zones
