Agincourt Adopt-A-Station

Thank you to the many families and friends who participated in the Spring make-over of the windows in Agincourt Station. Birds, flowers, insects and butterflies have replaced the snowflakes at the station! Check out the work in person at Agincourt GO station or visit #MyAgincourtGO.

AVCA Grade Separation Demonstration

Thank you to residents who braved the cold on April 29, 2019 to raise awareness for a grade separation at Huntingwood Avenue and GO train tracks. Our concern is safety and traffic gridlock.

Associations of Northern Scarborough BBQ

AVCA is again partnering with five northern Scarborough associations to facilitate a Free Community BBQ on Saturday, June 1, 2019 in Agincourt Mall parking lot. Mark your calendar for this our third annual event which proves to grow every year. Volunteers for the day are needed and sponsorships to fund the event are being secured. Contact avcatoronto@gmail.com if you can help.

Safety Concerns

AVCA continues to advocate for safer “at grade crossings” of the Metrolinx tracks, reduction of speeders, safer school zones and safer pedestrian access within our community. Please adhere to speed limits, no left turn signs and parking by-laws.

Reporting to Police

Our 42 Police Division do a fantastic job however they need our support. Online reporting is available at torontopolice.ca. Go to “File a Report.” Illegal parking, driving complaints and local traffic issues can be reported online. Let’s help our police assist our community.

Condominium Development

We are experiencing much proposed development in our community. Your AVCA Executive continues to advocate on your behalf. Your attendance at the public meetings helps to inform our City Planners of our community opinions.

Communication

Together we are stronger. We have lots happening in our community. Please contact us with suggestions and concerns at avcatoronto@gmail.com.
